## TRUSTEE'S SALES INDEX

These are the properties that are actively in foreclosure in Greene County. The original amount and the purported address are both a best estimate gleaned from public records. Some properties do not have a street address. The recorded amount is not a starting bid at the public auction but rather an amount borrowed against this deed, which may not be the first deed or first lien. For more specific information, refer to the notice published in the Greene Co. Trustee's Sales section of this newspaper.
